Nei formati rettangolari si consiglia la posa sfalsata irregolare del prodotto onde evitare problemi di planarità.

For the rectangular sizes is it advisable to stagger the product irregularly when laying it to avoid problems in flatness.

Pour les formates rectangulaire nous vous conseillons d'adopter la pose irrégulière à joints décalés pour le produit a fin d'éviter tout problème de planéité.

Für die Rechteckig Formate empfehlen wir die unregelmäßige versetzte Verlegung dieser Fliese, um Probleme mit der Ebenfähigkeit zu vermeiden.
